DLS is delighted to announce the creation of a new joint Masters programme with the Law Faculty at the University of Cergy-Pontoise [UCP] in France.

The Joint Masters is an exciting new venture, which brings together two dynamic and highly rated law schools. Students will be taught through English by acknowledged experts and will gain an in depth knowledge of a wide range of contemporary commercial law subjects from both a common law and civil law perspective.

Students enrolled on the dual qualifying LL.M. will graduate with a LL.M. in International Commercial Law from Dundee University and a LL.M. in Business and Taxation Law or Law & Business Ethics from UCP.

### Dual LL.M. Structure

The **autumn semester** will be spent in Scotland where, after a week long induction session, students will select two modules from the International Commercial Law programme:

**International Business Transactions I**  
**Company Law**  
**Principles of International E-Commerce**

**Problems in International Commercial Litigation**  
**Principles of International Contract Law**

For the **spring semester** students will go to Cergy-Pontoise, 30 minutes from the centre of Paris, and enrol in either the Business and Taxation Law Master or the Master in Law & Business Ethics. Students must complete four modules, taught through English, including options in:

**Antitrust & Competition Law**  
**Business Law : Corporate, Finance, Distribution & Litigation**  
**Real Estate and Property Investments**  
**Corporate Governance**  
**Intellectual Property**

On completion of the second semester in May, students will return to Dundee for the **summer semester** to complete a 15,000-word dissertation on a comparative commercial law topic. The dissertation will be submitted by mid-August.

### Entrance Requirements

The Joint Masters is a very challenging programme requiring students to adapt quickly to contrasting legal systems and modes of study.

Applicants must have, or expect to receive in the anticipated year of entry, a good honours degree in law, of at least upper second class or equivalent.

Applicants whose first language is not English must provide evidence that they have achieved a sufficient level of competence in English so as to enable them to undertake post-graduate study in law. Such applicants must have taken an IELTS or TOEFL exam within two years of their intended start date and have achieved a minimum score of 6.5 (IELTS).

### Non-EU Students

Students from outside the European Union must, where necessary, apply for a visa for entry to France after arrival in Dundee through the French consulate in Edinburgh:
