

Masters Training Programme (MTP) in Cardiovascular and Diabetes Medicine

Application Form for entry in September 2023

Deadline for application: 10th March 2023

Please read carefully. If you have any queries, please contact Medicine-PGR@dundee.ac.uk

To be considered for the NES MTP programme, your application must include:

- this form, fully completed.
- CV detailing educational qualifications and other relevant information.
- transcripts of degrees to date (including interim transcripts if available); these should be in a pdf format, *not* provided as a link.
- 2 academic/professional references.

To submit your application, please follow the instructions on the FindaPhD advert for your listed projects.

Personal Statement (maximum 500 words, minimum font size 11)

This personal statement will be used to assess your suitability for both your chosen projects and the NES MTP programme. We aim to recruit inclusively and so we are not prescriptive about what you include but you might include evidence of some of the following:

- Your personal motivation to undertake a multidisciplinary MSc in cardiovascular and diabetes medicine.
- Why this MTP in general is of interest to you.
- Why your selected projects are of particular interest to you.

We understand that our applicants may have been affected by the COVID-19 pandemic in a variety of ways and we are prepared to take such effects into consideration during our recruitment.
