- Hourly paid Academic Staff

Research Finance Office Authorisation: ………………………………………….. Date: ……………………
DISCLOSURE SCOTLAND CHECKS

From 11 April 2005, the Protection of Children (Scotland) Act 2003 requires that staff who work in a “child care position” must be subject to a Disclosure Scotland check to ensure persons under the age of 18 are protected and that any risk to them is minimised. In addition, the University has a similar responsibility towards vulnerable adults.

The posts within the University that require Disclosure Scotland checks are:

- Lecturers
- Teaching Fellows
- Institute of Sport & Exercise Staff
- Tayside and Fife Institute for Sport Coaches
- Leisure Assistants
- Residences Staff (including managers) and Janitors who have contact with student accommodation
- Any other post that involves the appointee in the training, supervision or being in sole charge of children (under the age of 18) or vulnerable adults.

Where indicated below, Personnel Services will initiate a Disclosure Scotland check. It is, however, acknowledged that the delay in receiving clearance of the Disclosure Scotland check may significantly affect the start date of the appointee and, consequently, the activities of the Department/School/Division.

In these circumstances a Risk Assessment may be undertaken. An assessment of the risk of making the appointment, prior to the full Disclosure Scotland check being completed, may be made by the Head of Department/School/Division and the approval of the appointment for the date requested on the New Appointment Authorisation Form given by the Dean of Faculty by completion of the Risk Assessment form (overleaf).

It should be noted that responsibility for approving the appointment ultimately rests with the Dean so he/she should be entirely satisfied that the risk has been fully assessed.

DISCLOSURE SCOTLAND

RISK ASSESSMENT

APPROVAL TO APPOINT PRIOR TO RECEIPT OF A DISCLOSURE SCOTLAND CHECK

PART 1 – TO BE COMPLETED BY APPOINTING HEAD OF DEPARTMENT/SCHOOL/DIVISION

…………………………(name) has been appointed to the post of ………………. in the Department/School/Division ……………………….. subject to a satisfactory check by Disclosure Scotland.

I have carried out a risk assessment and assess the risk of appointing ………………………………(name) prior to receipt of the Disclosure Scotland check as high/low *(delete as appropriate) because:

Low Risk
☐ General duties will not routinely involve one-to-one contact with children (i.e. under the age of 18) or vulnerable adults
☐ References have been checked

High Risk
☐ General duties will involve regular one-to-one contact with children or vulnerable adults.

If considered High Risk, Disclosure Clearance always required prior to appointment unless appropriate measures can be put in place to ensure no sole access to children until clearance received.

Any other comments or matters to be highlighted:-
