Change of Address and Re-registration

You must inform the police within 7 days of any change of address and of any extension of your permission to stay in the UK. The police may email you shortly before your permission to stay expires. Don’t Worry! It is only to remind you to apply for an extension if appropriate.

You will then be issued with a police registration certificate that carries information about your student status and the immigration conditions of your stay in the UK. You are required by law to carry your police registration certificate with you but NOT your passport.

Reporting Lost/Stolen Biometric Residence Permit

It is important to keep your BRP safe and sound as it is your evidence of your right to stay in the UK. However, if your BRP is lost/stolen, you must report to the police. You must also report to the Home Office. Lost/stolen BRPs can be reported from inside or outside the UK via the following website:-

http://uod.ac.uk/intl-055

The following details are required to report a lost/stolen BRP:

- Full Name
- Date of Birth
- Nationality
- Email or postal address

It is important also to inform International Advice Service (IAS) by emailing internationalsupport@dundee.ac.uk to report your lost/stolen BRP as the University will require this information for compliance purpose and to assist you with a replacement application if required.

You will not be able to use your BRP if found after it is reported lost/stolen. Please do not make any arrangement to travel outside the UK until you obtain a replacement!
