### Postgraduate A-Z course guide

#### Study Areas:

- **Architecture, Design and Humanities**
  - MSc Architecture and Advanced Forensic Anthropology
  - PGCert Anatomy for Artists
  - MSc Forensic Anthropology
  - MSc Forensic Art and Facial Identification
  - MSc Human Anatomy
  - MSc Medical Art

- **Business**
  - MSc Accountancy
  - MSc Accounting and Finance
  - MSc Accounting and Management and Strategy
  - MSc Banking and Finance
  - PGDip Economics
  - MSc Finance
  - PGDip Financial Economics
  - MSc International Accounting
  - MSc International Business (and multiple pathways)
  - MSc Management (and multiple pathways)
  - MSc Professional Accountancy

- **Computing**
  - MSc Applied Computing
  - MSc Applied Computing with Work Placement
  - MSc Computing
  - MSc Computing with Work Placement
  - MSc Computing Research
  - MSc Computing with International Business
  - MSc Computing with International Business with Work Placement
  - MSc Data Engineering
  - MScPCert/MSc/MPhil Data Science
  - MSc Information Technology and International Business

- **Dentistry**
  - MSc/Dip/Dipl/DPhD Dental Public Health
  - MSc/Dip/Dipl Endodontology
  - MSc Forensic Dentistry
  - MSc/Dip/Dipl Forensic Odontology
  - MSc Oral Biology
  - MSc Oral Cancer
  - MSc Orthodontics
  - MSc Prosthodontics

- **Engineering, Physics, Mathematics**
  - MSc Applied Mathematics
  - MSc Biomedical Engineering
  - MSc Civil Engineering
  - MSc Design for Medical Technologies
  - MSc Geotechnical Engineering
  - MSc Industrial Engineering and International Finance
  - MSc Industrial Engineering and Management
  - MSc Mathematical Biology
  - PGDip Mathematics
  - MSc Mathematics for the Financial Sector
  - MSc Medical Imaging
  - MSc Renewable Energy and Environmental Engineering
  - MSc Structural Engineering and Concrete Materials

- **Education and Social Work**
  - PGCert Academic Practice in Higher Education
  - GradCert Internship Graduate Certificate (Scotland)
  - LLB Law and Policy and Management
  - LLB Law and Policy and Management (distance learning)
  - LLB Law and Policy and Management (distance learning, with multiple specialisms)

- **Environment, Architecture, Geography, Law, Planning**
  - MSc Environmental Management
  - MSc Environmental Management (distance learning)
  - MSc Environmental Management and Security
  - MSc Environmental Management and Security (joint with the University of Cergy Pontoise)
  - MSc Environmental Management and Security (joint with the University of Toulouse)

- **Humanities and Politics**
  - MLitt/MSc/MRes/MPhD/MPhil/MSc (Int)/PGDip/PGCert Archives and Records Management
  - MLitt/MRes Comics and Graphic Novels
  - MLitt Crime Writing and Forensic Investigation
  - MLitt English Studies
  - MLittPGCert Family and Local History
  - MLitt Film Studies
  - GradCert French
  - GradDip German
  - MLitt History
  - MLitt Humanities
  - MLittPGCertPGDip/MRes/MPhil International Law and Security
  - MLitt International Relations
  - MLittPGDip/PGCert International Security
  - MLitt Philosophy
  - MLitt Philosophy and Literature
  - MLittPGDip Records Management and Digital Preservation
  - MLittPGDipPGCert Records Management and Information Rights
  - MLitt Science Fiction
  - MLitt Scottish History (distance learning)
  - GradDip Spanish
  - MLitt Writing Practice and Study
  - Individual Modules in Humanities Subjects

- **Health**
  - MSc Biomedical Research (Diabetes)
  - MSc Clinical Audit and Research for Healthcare Professionals
  - PGCert/PDIP/Cognate Behavioural Psychotherapy
  - MScPGDipPGCert Diabetes Care, Education and Management
  - MSc Human Clinical Embryology and Assisted Conception
  - MRes Medical Education
  - MScPGDipPGCert Motivation Analysis
  - MSc Orthopaedic and Rehabilitation Technology
  - MSc Orthopaedic Science
  - MSc/Dipl/Orthopaedic Surgery
  - MRes Palliative Care Research
  - MSc Psychological Therapy in Primary Care
  - MResPGDipPGCert Public Health
  - MScPGDipPGCert Quality Diabetes Care
  - MSc Sports Biomechanics and Rehabilitation

- **Law**
  - MLitt PGCert/DipLaw/DipLCLD/PGDip/Dipl/PGCert in Teaching Qualification Further Education
  - MSc Social Work
  - DSW Professional Doctorate in Social Work
  - DEdPsy Professional Doctorate in Educational Psychology
  - DEd Professional Doctorate in Education
  - PGDE Primary Education
  - MSc/PGDip/PGCert Leadership and Management (distance learning)
  - MSc Community Learning and Development
  - MSc Professional Accountancy
  - MSc Psychological Research Methods
  - MSc Psychology (Conversion)
  - MSc Augmentative and Alternative Psychology
  - MSc Nursing (and multiple pathways)

- **Medicine**
  - MSc Biomedical Research (Diabetes)
  - MSc Cancer Biology
  - PGCert Clinical Audit and Research for Healthcare Professionals
  - PGCert/PDIP/Cognate Behavioural Psychotherapy
  - MScPGDipPGCert Diabetes Care, Education and Management
  - MSc Human Clinical Embryology and Assisted Conception
  - MRes Medical Education
  - MScPGDipPGCert Motivation Analysis
  - MSc Orthopaedic and Rehabilitation Technology
  - MSc Orthopaedic Science
  - MSc/Dipl/Orthopaedic Surgery
  - MRes Palliative Care Research
  - MSc Psychological Therapy in Primary Care
  - MResPGDipPGCert Public Health
  - MScPGDipPGCert Quality Diabetes Care
  - MSc Sports Biomechanics and Rehabilitation

- **Nursing**
  - MSc Health Studies (and multiple pathways)
  - MSc Infection: Prevention and Control
  - MSc Midwifery Professional and Staff Health
  - MSc Nursing (and multiple pathways)

- **Psychology**
  - MSc Cognitive and Alternative Communications
  - MSc Developmental Psychology
  - MSc Psychology (Conversion)
  - MSc Psychological Research Methods
  - MSc Psychology of Language
  - MSc Psychology of Mental Health

### A-Z List of Courses

**Art and Design**

- MSc Animation and VFX
- MFA Art and Humanities
- MFA Art, Society and Publics
- MFA Product Design

**Business**

- MSc Accountancy
- MSc Accounting and Finance
- MSc Accounting and Management and Strategy
- MSc Banking and Finance
- PGDip Economics
- MSc Finance
- PGDip Financial Economics
- MSc International Accounting
- MSc International Business (and multiple pathways)
- MSc Management (and multiple pathways)
- MSc Professional Accountancy

**Centre for the Enhancement of Academic Skills, Teaching, Learning and Employability (CASTLE)**

- PGCert Academic Practice in Higher Education
- GradCert Internship Graduate Certificate (Scotland)

**Computing**

- MSc Applied Computing
- MSc Applied Computing with Work Placement
- MSc Computing
- MSc Computing with Work Placement
- MSc Computing Research
- MSc Computing with International Business
- MSc Computing with International Business with Work Placement
- MSc Data Engineering
- MScPGCert/MSc/MPhil Data Science
- MSc Information Technology and International Business

**Dentistry**

- MSc/Dip/Dipl/DPhD Dental Public Health
- MSc/Dip/Dipl Endodontology
- MSc Forensic Dentistry
- MSc/Dip/Dipl Forensic Odontology
- MSc Oral Biology
- MSc Oral Cancer
- MSc Orthodontics
- MSc Prosthodontics

**Education and Social Work**

- MSc Community Learning and Development
- MSc Professional Accountancy
- MSc Psychological Research Methods
- MSc Psychology (Conversion)
- MSc Augmentative and Alternative Psychology

- MSc Psychology (Conversion)
- MSc Psychological Research Methods
- MSc Psychology of Language
- MSc Psychology of Mental Health
Student life in Dundee

Dundee is set in an idyllic location hugging the banks of the River Tay Estuary. It’s Scotland’s fourth largest city and has a population of 150,000. Dundee is a city built for student life. It’s compact, friendly and with students making up around 1 in 5 of the population, there’s plenty going on. The University itself is found in the lively West End where you can enjoy bars, pubs, restaurants, clubs and boutique shops. The people of Dundee are famously friendly and open and, as one of the top cities in the UK for affordability (FastWeb 2018), your money will also go much further in Dundee.

Going out

As Scotland's student city, we have no shortage of cafe’s, restaurants and bars close to the city campus. Whether you’re meeting friends during the day for a coffee or going out for a meal in the evening, there is a wide variety of different places to try, and something for every taste and budget.

Shopping

The city of Dundee offers a fantastic shopping experience. Five minutes walk from the city campus, the Overgate and Wellgate are our two big shopping centres with many big name shops such as Debenhams, French Connection, OMM, Next, Boots and Primark. For unique gifts, art and jewellery, find a range of boutiques and galleries on Nethergate, Smithfield and Westport.

Sports

Get active at Dundee, a University with a great sporting pedigree. On campus there is a massive state-of-the-art gym with personal training room, two open-air swimming pools for all weather training, four floodlit, all-weather tennis courts; and two large indoor sports halls, where you can take part in any sport you can think of. We also offer around 40 different clubs including: archery, athletics, boxing, fencing, football, hockey, karate, netball, subaqua and volleyball, to name just a few.

Outdoor activities

People travel all over the UK and the world to try out Scotland's outdoor adventure opportunities. Being on the edge of some of the most remote and unspoilt landscapes in the world, Dundee is your gateway to discovering the great outdoors. There is a huge variety of activities you can get involved with in Dundee or within easy travelling distance including climbing, skateboarding, body boarding, cycling, gliding, microlighting and snowboarding.

Societies

Our 140+ student societies are great places to meet other students with similar interests and often have lots of events throughout the year. Find out more about living in Dundee at uod.ac.uk/pg-student-life and often have lots of events throughout the year. Find out more about living in Dundee at uod.ac.uk/pg-student-life.

Global excellence scholarship

We want to continue to attract outstanding postgraduate students to Dundee, and are offering a range of scholarships for high achieving applicants. The University has a £1.7 million scholarships fund for 2018, and a range of scholarships available for postgraduate students to apply for. For full details on the scholarships available and eligibility criteria, see our scholarship search tool at uod.ac.uk/pg-scholarship-search.

“Both an outstanding teaching university and one at the cutting edge in research.”
Alastair McCall
Editor of The Times & Sunday Times Good University Guide, September 2017

Our research

Our research goes from strength to strength, in terms of income generated, peer review recognition and the results from the Research Excellence Framework 2014. Research here supports our vision of transforming lives locally, nationally and globally: from medical research, to environmental policy, to helping graduates with their next step.

Anne Drury, from Canada, MSc Anatomy and Advanced Forensic Anthropology.

How to apply

You can apply to most of our full-time, taught postgraduate courses using the online application system, UKPASS. The majority of our full-time and part-time postgraduate courses have a set date by which you need to apply. This is usually in late September. There are some courses which have two start dates - one in September and one in January. You can find the exact dates and application systems for each course on our individual postgraduate course pages. You can also use our course search to search for courses with specific start dates.

Read more from our students in their own words. Take a look at our student blog at uod.ac.uk/blog-pg.
