

Machines

- Generate 'difference' or distinctions.

### 3 Societies

+ Societies of  
Sovereignty  
Pre-18th C.  
(Europe)

+ Disciplinary  
Societies  
18th-19th C.

+ Society of ←  
Control  
mid 20th - today

- Regulates Access

- due to a high level of  
technological automation  
(e.g. what we live in today)

### Dividual

+ Common in advanced  
Capitalism.

EACH machine we  
INTERACT with, automatically  
interprets the data you  
put into it.

- Future can be limited your  
life when it predetermines  
what you can achieve.
