

'HEADS & TAILS'

Animals come in all shapes and sizes...

On this page, have a go at creating your own creature collaboration. Try combining the head, body and bottom half from a variety of 3 animals.

See examples Below!

EYES and EARS

Plants and other creatures may appear really big or very small...

Think of an animal you would like to be...
Draw in this box the things you might see

I am

AND this is where I'm from

There may be dangers nearby...what sounds can be heard?
What is the weather like...is it daytime or night?...Do you
share your home or live on your own...?

Look at your wonderful Drawing!
Now have a go at describing
your animal's thoughts and feelings
in this bubble below.
Animals experience the world different to us...
